UPDATES ON STATE STREET BRIDGE REPLACEMENT PROJECT

The State Street Bridge Construction Project is a County project which is under the control and direction of the County of Chester. Construction is expected to recommence on or around October 1, 2017. Avondale Borough is cooperating as needed; however, inquiries regarding the status of the construction or any issues related to the project are best answered by the County and their consultants to avoid any miscommunications.

For updates on the status and construction schedule for the project, please contact the following agencies/companies directly:
