

AVONDALE BOROUGH
WORK SESSION
JULY 9, 2019
2:00 P.M.

COUNCIL MEMBERS PRESENT: Bill Shore, Wilson Lysle, Dave Besselman, Becka Schlimme
Absent: Steve Cummings

GUESTS PRESENT: Sandy Masten

The Secretary was absent from this meeting. These minutes were generated from the notes that Sandy took.

The meeting began at 2:00 p.m.

AVON MOHR STORMWATER PIPES – QUOTATIONS

Waiting on a quote from MacCombie's office to raise the stormwater boxes.

QUARRY

Wilson is not happy with the way the bubbler is working. The bubbler moved to a hole and they need to put in a bowie and raise it about 10 feet. This will be at no charge.

HVAC

Dave received one bid so far from Chelsea. Waiting on other bids from R & D and Crossan.

BANNERS

Andy was unable to get the boom truck to put up the banners. Dave wants to order 12 banners and brackets for future holidays.

SEWER PLANT

- The SCADA system was installed on 7/8/2019 and is almost ready. A few bells and whistles to correct.
- RAS Motor bolt broke in the top motor and it is going out for repair.
- Bill to get a quote on racking to pick up debris in system. Should be around \$5,000.

The meeting ended at 3:00 p.m.

Respectfully submitted,

Becky Brownback
Borough Secretary
