**2020 BUDGET**

The Treasurer has all the numbers for the budget.

**MILLER DRIVE STORMWATER PIPE RELINING PROJECT - INCREASE OF \$3,107.00**

Mr. Rehab prepped the lines but there is a slight change in the sizes. The line starts as 15" for 305 LF (as the proposal indicates), the line changes to 18" for 140 LF and then to 21" for 320 LF. The remaining 195 LF is 30" (the section that crosses Miller Drive and runs between the houses) this is the section that will require new pricing. The increase is \$3,107.00. The project will go from \$101,408.75 to \$104,515.75.

**BID PROPOSAL FOR METER READING UPGRADE**

Discussed the proposal for the upgrade at a cost of \$7,539.25. This needs to be done because the existing reader is becoming obsolete.

**BOROUGH BUILDING RENOVATIONS**

Anthony Campbell is reviewing the plans.

The meeting was over at 3:00 p.m.

Respectfully submitted,

Becky Brownback  
Borough Secretary
